

LLP «Karaganda Pharmaceutical Plant»

Contract Manufacturing

Karaganda, Kazakhstan

LLP «Karaganda Pharmaceutical Plant»

Since 2005, the Karaganda Pharmaceutical Plant (KPP) organized the production of more than 70 original phytopreparations.

KPP has created a complete technological cycle from the production of medicinal raw materials, their processing, to the release of finished dosage forms of original phytopreparations

The Plant has a state license of the Ministry of Health of the Republic of Kazakhstan for pharmaceutical activities for the production of drugs in conditions of industrial production, as well as the right to participate in work in the field of science and scientific and technical activities.
